

## Community Outreach

Throughout the years, Curry Ace Paint & Hardware has consistently supported the local community through participation, membership and sponsorship of community events and organizations. In addition, we have set aside a generous amount of money every year to donate to various organizations, schools and events. Our community participation includes:

- Community Schools
- Service Clubs (Rotary Club, Kiwanis)
- Local Fundraisers
- Children's Miracle Network
- Breast Cancer Awareness
- Homes for Troops

As a third-generation family operated business, we know the value of our loyal neighbors, we've reached out to support the local communities we serve to show our sincere gratitude for the years of support these communities have given us.

## Donation Requests

Curry Ace Paint & Hardware receives numerous requests for donations each month to support various organizations, events and schools. We budget a generous amount to support worthy causes in our communities each year. Regretfully the number of requests always exceeds our budget therefore it's not always possible to honor all requests that we receive.

Currently these are the communities we support:
